## OFFEROR'S RFP CHECKLIST

---

### 10 Critical Things to Keep in Mind When Responding to an RFP for the City of Roswell

1. \_\_\_\_\_ **Read the *entire* document.** Note critical items such as: supplies/services required; submittal dates; number of copies required for submittal; contract requirements (e.g. bonding and insurance requirements); etc.
2. \_\_\_\_\_ **Note the Buyer's name, address, phone numbers and e-mail address.** This is the only person you are allowed to communicate with regarding the RFP and is an excellent source of information.
3. \_\_\_\_\_ **Attend the pre-proposal conference** if one is offered. These conferences provide an opportunity to ask clarifying questions, obtain a better understanding of the project, or to notify the City of any ambiguities, inconsistencies, or errors in the RFP. This conference may be mandatory.
4. \_\_\_\_\_ **Take advantage of the “question and answer” period.** Submit your questions to the Buyer by the due date listed in the *Schedule of Events* and view the answers given in the formal “addenda” issued for the RFP. All addenda issued for an RFP are posted on the Cities’ website and will include all questions asked and answered concerning the RFP.
5. \_\_\_\_\_ **Follow the format required in the RFP** when preparing your response. Provide point-by-point responses to all sections in a clear and concise manner.
6. \_\_\_\_\_ **Provide complete answers/descriptions.** Read and answer **all** questions and requirements. Don’t assume any of the Cities or Evaluation Committee will know what your company capabilities are or what items/services you can provide, even if you have previously contracted with one of the Cities. The proposals are evaluated based solely on the information and materials provided in your response.
7. \_\_\_\_\_ **Use the forms provided**, e.g. cover page, cost proposal form, standard forms, etc.
8. \_\_\_\_\_ **Check the City’s website for RFP addenda.** Before submitting your response, check the City’s website at <http://www.roswellgov.com/bids.aspx> to see whether any addenda were issued for the RFP. **If so, you must submit a signed cover sheet for each addendum issued along with your RFP response.**
9. \_\_\_\_\_ **Review the RFP document again** to make sure that you have addressed all requirements. Your original response and the requested copies must be identical and complete. The copies are provided to the Evaluation Committee members and will be used to score your proposal.
10. \_\_\_\_\_ **Submit your proposal on time.** Note all the dates and times listed in the *Schedule of Events* and within the document, and be sure to submit all required items on time. Late proposal responses will not be accepted.

## SECTION 2: RFP RECEIPT AND EVALUATION PROCESS

---

### 2.1. Authority

---

This RFP is issued under the authority of the City of Roswell.

### 2.2. Receipt of Proposals and Public Inspection

---

2.2.1 **Public Information:** During the opening of sealed proposals, only the name of each Offeror shall be announced. No other information will be disclosed nor shall the proposals be considered open record until after council award. All information received in response to this RFP, including copyrighted material, is deemed public information and will be made available for public viewing and copying shortly after the council award with the following four (4) exceptions: (1) bona fide trade secrets meeting confidentiality requirements that have been properly marked, separated, and documented; (2) matters involving individual safety as determined by the City of Roswell; (3) any company financial information requested by the City of Roswell to determine vendor responsibility, unless prior written consent has been given by the Offeror; and (4) other constitutional protections.

2.2.2 **Buyer's Review of Proposals:** Upon opening the sealed proposals received in response to this RFP, the Buyer in charge of the solicitation will review the proposals and separate out any information that meets the referenced exceptions in *Section 2.2.1* above, providing the following conditions have been met:

- Proposal does not contain confidential material in the cost/price section; and

### 2.3. Classification and Evaluation of Proposals

---

2.3.1 **Initial Classification of Proposals as Responsive or Nonresponsive:** All proposals will initially be classified as either "responsive" or "nonresponsive". Proposals may be found nonresponsive at any time during the evaluation process or negotiations if: any of the required information is not provided; the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP; or the proposal is not within the plans and specifications described and required in the RFP. Proposals found nonresponsive may not be considered further.

- 2.3.2 **Determination of Responsibility:** The Buyer will determine whether an Offeror has met the standards of responsibility. Such a determination may be made at any time during the evaluation process and through negotiation if information surfaces that would result in a determination of non-responsibility. If an Offeror is found non-responsible, the determination must be in writing and made a part of the procurement file.
- 2.3.3 **Evaluation of Proposals:** The Evaluation Committee will evaluate the remaining proposals and make a recommendation to Mayor & Council or, if necessary, to seek discussion/negotiation or a “best and final offer” in order to determine the recommended Offeror. Responsive proposals will be evaluated based on stated evaluation criteria (*Section 5*). In scoring against stated criteria, the Evaluation Committee may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors.
- 2.3.4 **Completeness of Proposals:** Selection and award will be based on the Offeror’s proposal and other items outlined in this RFP. Submitted responses may not include references to information located elsewhere, such as Internet websites or libraries, unless specifically requested. Information or materials presented by Offerors outside the formal response or subsequent discussion/negotiation or “best and final offer,” if requested, will not be considered, will have no bearing on any award, and may result in the Offeror being disqualified from further consideration.
- 2.3.5 **Opportunity for Discussion/Negotiation and/or Oral Presentation/ Product Demonstration:** After receipt of all proposals and prior to the determination of the award, the City of Roswell may initiate discussions with one or more Offerors should clarification or negotiation be necessary. Offerors may also be required to make an oral presentation and/or product demonstration to clarify their RFP responses or to further define their offer. In either case, Offerors should be prepared to send qualified personnel to the City of Roswell to discuss technical and contractual aspects of their proposals. Oral presentations and product demonstrations, if requested, shall be at the Offeror’s expense.
- 2.3.6 **Best and Final Offer:** The “best and final offer” is an option available to the City of Roswell under the RFP process which permits the City of Roswell to request a “best and final offer” from one or more Offerors if additional information is required to make a final decision. The decision to seek “best and final offer” is at the sole discretion of the City. Offerors may be contacted asking that they submit their “best and final offer”, which must include any and all discussed and/or negotiated changes.
- 2.3.7 **Committee Recommendation for Award:** The Evaluation Committee will provide a written recommendation for award to the Buyer that contains the ranking and related supporting documentation for its decision. The Buyer will review the recommendation to ensure its compliance with the RFP process and criteria before concurring with the Evaluation Committee’s recommendation.
- 2.3.8 **Negotiation:** Upon recommendation from the Evaluation Committee, the Buyer may begin negotiations with the responsive and responsible Offeror whose proposal that is the advantageous to the City of Roswell. If negotiation is unsuccessful or the highest-ranked Offeror fails to provide necessary documents or information in a timely manner, or fails to

negotiate in good faith, the City of Roswell may terminate negotiations and begin negotiations with the next highest-scored Offeror.

2.3.9 **Contract Award:** Award, if any, will be made based on the determination of Mayor & Council.
