OFFEROR'S ITB CHECKLIST

10 Critical Things to Keep in Mind When Responding to an ITB for the City of Roswell

1. _____ **Read the *entire* document.** Note critical items such as: supplies/services required; submittal dates; number of copies required for submittal; contract requirements (e.g. bonding and insurance requirements); etc.
2. _____ **Note the Buyer's name, address, phone numbers and e-mail address.** This is the **only** person you are allowed to communicate with regarding the ITB and is an excellent source of information.
3. _____ **Take advantage of the "question and answer" period.** Submit your questions to the Buyer by the due date listed in the *Schedule of Events* and view the answers given in the formal "addenda" issued for the ITB. All addenda issued for an ITB are posted on the City's website and will include all questions asked and answered concerning the ITB.
4. _____ **Follow the format required in the ITB** when preparing your response. Provide point-by-point responses to all sections in a clear and concise manner.
5. _____ **Provide complete answers/descriptions.** Read and answer **all** questions and requirements. Don't assume the City will know what your company's capabilities are or what items/services you can provide, even if you have previously contracted with the City. The proposals are evaluated based solely on the information and materials provided in your response.
6. _____ **Use the forms provided**, e.g. cover page, bid sheet, standard forms, etc.
7. _____ **Check the City's website for ITB addenda.** Before submitting your response, check the City's website at <http://www.roswellgov.com/bids.aspx> to see whether any addenda were issued for the ITB. **If so, you must submit a signed cover sheet for each addendum issued along with your ITB response.**
8. _____ **Review the ITB document again** to make sure that you have addressed all requirements. Your original response and the requested copies must be identical and complete. The copies are provided to the Evaluation Committee members and will be used to score your proposal.
9. _____ **Submit your proposal on time.** Note all the dates and times listed in the *Schedule of Events* and within the document, and be sure to submit all required items on time. Late proposal responses will not be accepted.

This checklist is provided for assistance only and should not be submitted with Offeror's Bid.

- 1.4.2 **Offeror’s Signature:** All signatures required in the bid on behalf on an Offeror must be signed in ink by an individual authorized to legally bind the business submitting the bid. The Offeror’s signature on a bid in response to this ITB guarantees that the prices quoted have been established without collusion and without effort to preclude the City of Roswell from obtaining the best possible supply or service. - 1.5.1 **Roswell Not Responsible for Preparation Costs:** The costs for developing and delivering responses to this ITB and any subsequent presentations of the bid as requested by the City of Roswell are entirely the responsibility of the Offeror. The City of Roswell is not liable for any expense incurred by the Offeror in the preparation and presentation of their bid.
- 1.5.2 **All Timely Submitted Materials Become Roswell's Property:** All materials submitted in response to this ITB become the property of the City of Roswell and are to be appended to any formal documentation, which would further define or expand any contractual relationship between the City of Roswell and Offeror resulting from this ITB process.

SECTION 2: ITB RECEIPT AND EVALUATION PROCESS

2.1. Authority

This ITB is issued under the authority of the City of Roswell.

2.2. Receipt of Bids and Public Inspection

- 2.2.1 **Public Information:** During the opening of sealed bids, the Offeror's name, bid amount, and other pertinent information will be read aloud and recorded. No other information will be disclosed at that time. Each bid offer is considered open record and all information received in response to this ITB, including copyrighted material, is deemed public information and will be made available for public viewing and copying shortly after bid opening with the following four (4) exceptions: (1) bona fide trade secrets meeting confidentiality requirements that have been properly marked, separated, and documented; (2) matters involving individual safety as determined by the City of Roswell; (3) any company financial information requested by the City of Roswell to determine vendor responsibility, unless prior written consent has been given by the Offeror; and (4) other constitutional protections.
- 2.2.2 **Buyer's Review of Bids:** Upon opening the sealed bids received in response to this ITB, the Buyer in charge of the solicitation will review the bids and separate out any information that meets the referenced exceptions in *Section 2.2.1* above, providing the following conditions have been met:
- Confidential information is clearly marked and separated from the rest of the bid;
 - Bid does not contain confidential material in the cost/price section; and
 - An affidavit from an Offeror's legal counsel attesting to and explaining the validity of the trade secret claim is attached to each bid containing trade secrets.

Information separated out under this process will be available for review only by Buyer, the Finance Director, and limited other designees. Offerors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a "right to know" (open records) request from another party.

2.3. Classification and Evaluation of Bids

2.3.1 **Initial Classification of Bids as Responsive or Nonresponsive:** All bids will initially be classified as either “responsive” or “nonresponsive”. Bids may be found nonresponsive at any time during the evaluation process or negotiations if: any of the required information is not provided; the submitted price is found to be excessive or inadequate as measured by criteria stated in the ITB; or the bid is not within the plans and specifications described and required in the ITB. Bids found nonresponsive may not be considered further.

2.3.2 **Determination of Responsibility:** The Buyer will determine whether an Offeror has met the standards of responsibility. Such a determination may be made at any time during the evaluation process and through negotiation if information surfaces that would result in a determination of non-responsibility. If an Offeror is found non-responsible, the determination must be in writing and made a part of the procurement file.

2.3.3 **Evaluation of Bids:** During the evaluation of the bids, the City reserves the right to request clarification of bid responses and to request the submission of references, if deemed necessary for a complete evaluation of bid responses.

Award will be made to the responsive and responsible Offeror whose bid is most economical according to designated criteria. The determination of the lowest responsive and responsible Offeror may involve all or some of the following factors:

- price,
- conformity to specifications,
- financial ability to meet the contract,
- previous performance,
- facilities and equipment,
- availability of repair parts,
- experience,
- delivery promise,
- terms of payment,
- compatibility as required,
- other cost,
- and other objective and accountable factors, if any.

The City shall be the judge of the factors and will make the award in the best interest of the City.

2.3.4 **Completeness of Bids:** Selection and award will be based on the Offeror’s bid and other items outlined in this ITB. Submitted responses may not include references to information located elsewhere, such as Internet websites or libraries, unless specifically requested. Information or materials presented by Offerors outside the formal response or subsequent discussion/negotiation, if requested, will not be considered, will have no bearing on any award, and may result in the Offeror being disqualified from further consideration.

2.3.5 **Opportunity for Discussion/Negotiation:** After receipt of all bids and prior to the determination of the award, the City of Roswell may initiate discussions with one or more Offerors should clarification or negotiation be necessary.

2.3.6 **Contract Award:** Award, if any, will be made by City Council upon recommendation, to the Offeror providing the lowest responsive and responsible bid and who provides all required documents.

2.4. Roswell's Rights Reserved

While the City of Roswell has every intention to make an award as a result of this ITB, issuance of the ITB in no way constitutes a commitment by the City of Roswell to award and execute a contract. Upon a determination such actions would be in its best interest, the City of Roswell, in its sole discretion, reserves the right to:
