

## City of Roswell, Georgia

### Application for Removal of Fixed-Object Mailbox

I, \_\_\_\_\_, request that my mailbox be removed and hereby authorize the City of Roswell to remove it from my property and dispose of it. I understand that this request may take up to five business days to be completed, dependent on weather.

*(Homeowner Name)*

I understand that the City will not replace or install a new mailbox. I also understand that in order to avoid disruption of my mail service, I should have a new mailbox already installed nearby before the removal, or have one ready to install following the removal.
