

An On-Site Health Clinic Especially for Full-Time City Staff!

Why go to the CORE Wellness Center?

- Convenient, on-site, and close to work, reducing the time it takes to address healthcare issues, as well as reducing leave hours needed.
- Reduced wait times and convenient 20-30 minute appointments.
- Available for sick visits, annual physicals, and management of chronic diseases.
- Can coordinate care with your existing Primary Care Physician.
- Free preventive services.
- Non-preventive services provided for \$25.
- Certain prescription medications dispensed onsite at cost.
