

Survey: Roswell Proposed Holiday Event Plan 2022

This holiday season ...

Roswell is considering some changes & enhancements to our holiday programming.

Residents, let us know what you think!

As we prepare for the 2022 holiday season, the City of Roswell is considering moving the annual holiday tree lighting event from Town Square Park (610 Atlanta St.) to Heart of Roswell Park (Canton St. and Elizabeth Way).

Check out what the City is proposing with regard to the tree lighting event, as well as the new, festive enhancements we are considering at Town Square and East Roswell Park:

Heart of Roswell Park (Canton St. & Elizabeth Way): The annual Lighting of the Tree event would take place on Friday, Dec. 2, at Heart of Roswell Park. The event format would remain the same as in years past, including choral performances, the Mayor's reading of *'Twas the Night Before Christmas*, a visit and photos with Santa Claus, and—of course—the lighting of a large community tree.

By moving the event into the Heart of Roswell, the City is able to close down the Canton Street corridor between Norcross Street and Magnolia Street (like we do during Alive in Roswell) and create a holiday atmosphere that extends into the downtown business district.

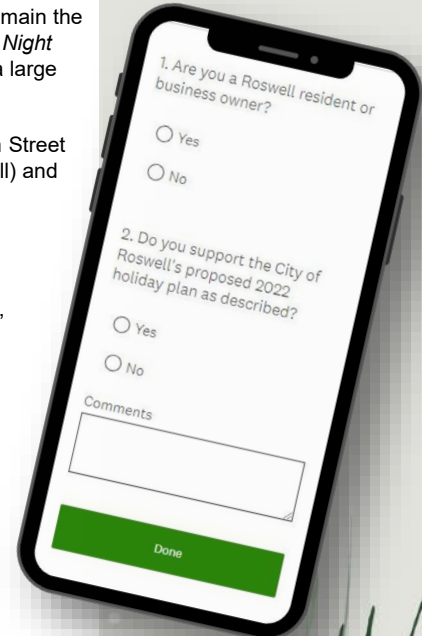

Town Square (610 Atlanta St.): Roswell's historic Town Square would be decked out in traditional holiday decor. The City is planning a new holiday tradition at this location with the addition of approximately 25 community-decorated trees spread throughout the park beginning the first week of December. In addition, Santa and Mrs. Claus would make TWO special stops at Town Square for free photo opportunities on Saturday, December 10, and Sunday, December 18.

East Roswell Park (9000 Fouts Rd.): Visitors to East Roswell Park would be greeted by magical holiday decorations at the Eves Road entrance—a new addition this season!

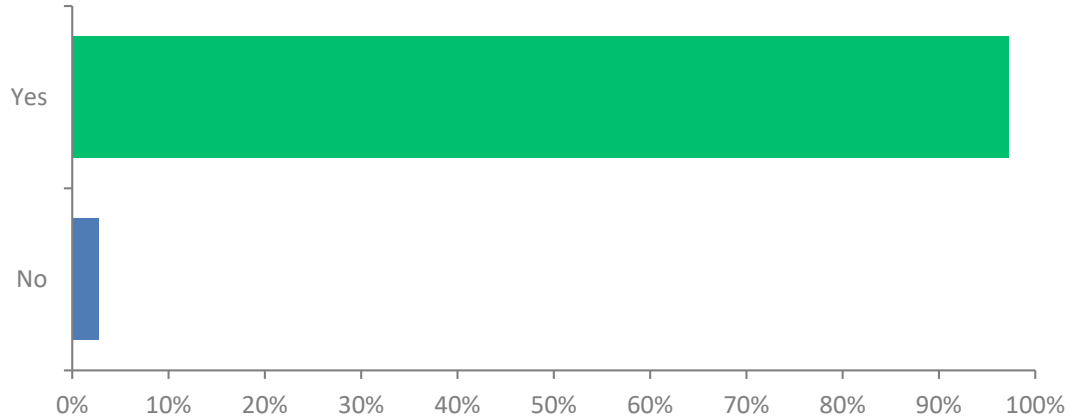

Now that you know what we're proposing, please continue with the survey to let us know what you think.

Please Note: In addition to what is described above, the City of Roswell will be hosting a wide variety of holiday-related programs throughout the season. In the coming weeks, all events will be listed at www.RoswellGov.com/Holidays.
