Project Corridor

Planning Basis

- City of Roswell T-SPLOST 2 Project
- North Fulton Comprehensive Transportation Plan
- City of Roswell Bicycle & Pedestrian Master Plan
- City of Roswell Transportation Master Plan
- City of Roswell Corridor Study

Project Goals

- Bike-ped accommodation
- Intersection improvements
- Design optimized to TSPLOST-2 budget (\$14.8M)
- Minimize property impacts

Key Project Features

1. 10' multi-use path on the **south** side from Chickering Lake Dr to Lake Charles Dr
2. 10' multi-use path on the **north** side from Lake Charles Dr to Mimosa Blvd
3. 4' bike lanes from Shallowford Rd to Lake Charles Dr
 - Separate bike lanes uphill direction
 - Sharrows (shared space in mixed traffic) downhill direction
4. Roundabout at North Coleman Rd
5. Roundabout at Shallowford Rd **contingent** on additional funds

Next Steps

- Receive public **feedback**
- **Advance** to preliminary engineering phase
